ORACLE | Partner

Background

Our High-Level Change readiness will provide a piece of consultancy which will assist you on your decision-making journey as you embark on your Oracle ERP Transformation.

Service Description

- Fixed Cost offering.
- We will spend up to five days with your key stakeholders gathering the detail.
- We will provide Oracle Change Management Consultants to work closely with.
- Review of your Senior Stakeholder Map & Governance, providing guidance on Process Workshops & Day in the Life Roadshows, Organisational Change Support & Comms approach and your Roadmap for Change.

Output

A document outlining our findings and recommendations, including a Change Management blueprint for your Oracle related eco-system.
